“I just want to say again how much I appreciate the staff. The room was set up perfect, the servers were efficient and had everything ready at the time I wanted. Thank you to all the staff for another wonderful dinner, low stress for me and for making the process flow smoothly.”

“Please pass my compliment on to your chef for our dinner last night - the chicken stuffed with sundried tomatoes was amazing! And a number of women commented on how full of seafood the chowder was too. Everyone loved the meal. Darryl, you are always there for us and I appreciate that so much! You are so good at providing last minute requests from attendees and coordinating the meal service with me every month. The 2 of you are a great team! Thanks!”

“Thank you very much for the use of your club. The team really felt they were treated special and could not have picked a nicer room to have a meeting in on such a beautiful day. The service level was above expectation and really felt we were taken care of. Thanks again!”

“I just wanted to thank you and your staff for a great day at the Brampton Golf Club. The room, food and refreshments were fantastic, and your staff were courteous and very helpful. The guests in attendance loved being able to get away from it all without having to travel too far to get away from it all. An excellent day! I’ll be sure to recommend BGC to my colleagues”
